All year round.

**INFRAready**  
instant affordable warmth

## Glass and Mirror Infrared Heaters

Our premium range of Glass and mirror heaters come in five shapes, a range of wattages and colours.

High-quality materials have been used to design and make our top-of-the-range Infrared Heaters. Extremely well crafted, these panels are beautiful and will add an elegant focal piece to any environment. Our infrared heaters can be tailored to suit your style and decoration. Whether you would prefer something subtle or if you would like something bespoke that stands out.
